Banking and Finance **Welcome**

www.bowlinglaw.co.uk

The Bowling & Co Banking and Finance team of specialist lawyers provide a comprehensive service to wide ranging, UK and international clients involved in finance transactions. We deliver a complete lifecycle service and optimum, cost-effective work through experience, expertise and transparency.

Our clients praise our ability to meet their challenges, exchange information effectively with all relevant parties and create relationships that help their business grow. Many see us as their trusted advisors and their confidence in us can be seen through the long lasting relationships we have developed.

We understand how important it is for clients to optimise their business interests through banking and finance. Our focus on transparency and trusted advice enables clients to better understand the complexities of the banking and finance sector and effectively plan and execute business decisions. This allows client to maximise the value out of their investments through more effective decisions and efficient cost management.

We are able to advise on a broad spectrum of banking and finance matters including:-

- Corporate lending
- Acquisition finance
- Corporate debt and equity restructuring
- Corporate finance, including joint ventures and equity investment
- Property acquisition, investment and development finance
- Insolvency and restructuring
- All types of corporate, business and personal security and subordination issues

Banking and Finance Services

www.bowlinglaw.co.uk

With our vast experience and in-depth knowledge we are able to offer banking and finance legal advice to clients across a broad range of sectors covering a wide variety of complex national and international transactions. Our clients include leading banks, financial institutions, individual and corporate borrowers and family offices.

We work closely with our clients, considering all available options and ensuring they are kept fully informed.

Wherever required, other specialists within our firm - Corporate, Intellectual Property and Real Estate - regularly work alongside our banking team to pool relevant resources.

We manage transactions from start to finish offering strong, in-depth, technical knowledge and innovative thinking. Our approach is dynamic; we react with flair and negotiate with shrewdness. Looking at the bigger picture, we pay great attention to detail and provide new ideas to achieve the end result.
