Bowling & Co act for a broad range of healthcare clients including doctors, pharmacists and care home owners, advising on transactions that occur across the UK. We have a highly specialised and experienced team that understands the importance of being able to act quickly and decisively to achieve your aims.

The law and regulations that govern the healthcare industries are constantly changing and evolving. This inevitably affects businesses and being able to react quickly can be crucial.

*Our specialist dental team understands the legal and regulatory issues dentists face and can advise on:-*

- Setting up, buying or selling a healthcare business
- Locum Contracts
- Employment Contracts
- Partnership Agreements
- Shareholders Agreements
- Estate Planning

Our approach is to deliver accurate and comprehensive assistance from the very outset of your matter. We work closely with our colleagues in the Property and Employment Law departments to give our clients a complete service that they can have trust in.

We are mindful of the fact that legal services can be expensive. Our team has an excellent reputation for offering a very competitively priced service without compromising on quality. Costs are managed closely and we keep you informed on a regular basis.

*We are also able to advise on a broad spectrum of healthcare legal issues, but in particular have refined*

*“On top of the outstanding legal advice given was the added bonus of a commercial point of view which really helped me in making the right business decisions.”*
