

Headstrong (hoyenoyhoy)
Troodon
(1800's - 600)

CLEVER CLOSS
With the largest brain (proportionally)
Troodons were probably cleverer than
any other dinosaur.

FLEXITARIANS
Lucky old Troodon was omnivorous,
so they could eat meat or veg.
Our Truly is a strict vegetarian though.

VIKING VALLEY
Trick or holding a Viking sword
Viking warriors were often
buried with their swords.
